

## Singapore Airlines wins award for Best International Airline for Business Travellers

For the sixth time in a row, readers of the German edition of „Business Traveller“ magazine awarded full service premium carrier, Singapore Airlines, as the „Best International Airline for Business Travellers“ worldwide. Business Traveller’s World Award is an audience prize that has awarded Singapore Airlines as Best Airline annually since 2011. The result is based on an independent survey of frequent travellers. The survey rated airlines, airports, hotels, car rentals and internet offers in nine categories.

„We would like to thank all readers of Business Traveller magazine and our customers for the continuous confidence in Singapore Airlines“, says Mohamed Rafi Mar, General Manager for Germany, Austria, Central and Eastern Europe. „We are proud of our award from Business Traveller and we will continue to make our customers’ happiness our highest priority. Therefore, we keep investing in the expansion of our product offerings, for example with the introduction of the new Airbus A350 on our nonstop route from Dusseldorf to Singapore that has been inaugurated on the 22<sup>nd</sup> of July 2016.“
